Dear Committee Members:

The School District of Osceola County is proud to endorse Neptune Middle School's application for recognition as a 2008-2009 Florida Service-Learning Leader School for excellence in service-learning. A former National Service-Learning Leader School, Neptune has continued to infuse service-learning into the school's culture and has successfully accomplished integration of community service into the curriculum for more than a decade.

I fully support Neptune Middle School's commitment to meeting community needs through meaningful service to improve student learning and increase civic responsibility. Being selected as a Florida Service-Learning Leader School would be an honor, and Osceola District would be proud to have one of their schools earn this recognition.

Sincerely,

Michael A. Grego, Ed.D.  
Superintendent
